### Description

*Item Specifics - Music: CDs*

Genre: **Soundtrack, Theater**

Album Type: **Full-Length CD**

Sub-Genre: **Film**

Condition: --

I'm auctioning the original CD soundtrack to the hit horror film, Fright Night, and it's all complete with 28 tracks (songs & score), coming in it's original case with art and design, in excellent condition. Most of the songs are hot disco wonders with a few soft melodies, including the romantic classic "Come to me" by the soundtrack composer, Fiedel, the most sort after hit. Label # for CD is SZ40087

I'm working hard to obtain more of these CD's since they're out of print, only seeing the light of day for a very brief time. At the bottom of page I will list songs on CD in chronological order with names of artists

I accept all money orders. I do accept checks but it slows the shipping process, so keep that in mind. Worldwide bidders are welcome so don't hesitate. I will leave feedback to non-paying bidders, and I will cancel bidders with excessive negatives. However, to ensure satisfying business ethics, I leave good feedback after it's left for me, otherwise nothing will be left at all, so keep that in mind too. Any questions please let me know. I'm an honest seller, just review my good feedback from reliable bidders. Best of luck
